## Mid Year BBQ Picnic postponed

The committee has regretfully had to delay the above event until further advice. The recent rains (with the forecast of more this week) have caused the area where we hold our picnic to be muddy underfoot. The date also clashes with the annual Scarborough vs Newport yacht race which many of the residents compete in. We hope this does not cause inconvenience – we'll keep you posted.

## Meet Your Neighbours Half Yearly General Meeting

The NWPOA half yearly general meeting will be held on Tuesday October 5<sup>th</sup> at the Oyster Point Scout Hall, commencing at 7.30 pm.  
Address Fernlea Ave, Scarborough

The purpose of the meeting is to inform members of the progress of committee initiatives and discuss other business as notified to the secretary for inclusion in the agenda.

The emphasis will be on getting the business finished early to enable the maximum time to 'mingle' afterwards with a light supper and drinks which will be provided.

### **Come along and meet your committee and neighbours**

Newport waterways has had rapid growth over recent times with more exciting development happening now. Have your input to shape our unique part of the peninsula. To enable us to keep the meeting short, any motions proposed or items for discussion should be posted to the secretary to arrive no later than Thursday 30<sup>th</sup> September 1999. These items will form the agenda.

## Remember This Date

**October 5<sup>th</sup> 7.30pm**
